

BEYOND STUDY

Calling patients, survivors, parents, and caregivers touched by childhood cancer in Canada!

Tell us about your wellbeing during the pandemic to help us transform childhood cancer care during & beyond the COVID-19 pandemic.

Participate now!

ELIGIBILITY CRITERIA (YOUTH)

If you:

- Are between 8 and 17 years old
- Currently receive cancer treatment or have received cancer treatment in the past
- Have a parent who will also participate in the study
- Are living in Canada.

Then you may be eligible to participate!

YOUR ROLE

- Participate in a ~20-minute survey
 - Have a chance to win a \$100 Amazon gift card!
- Participate in a optional ~30-minute interview
 - Get a \$25 Amazon gift card!
